EDUCATION & CAMPUSES

Safer, smarter campuses.

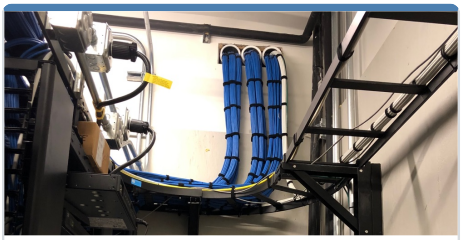
Communications, cabling, and security for schools, universities, and administration buildings.

Schools need to reach every classroom in an emergency, keep thousands of devices online, and control who walks through the door. SCTi builds those systems to work as one, and schedules installs around the school calendar.

VOICE

Business Phone Systems

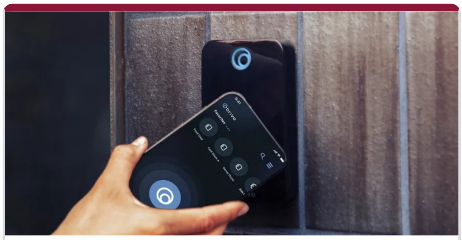
- Classroom phones and overhead paging for announcements and emergencies
- Algo IP speakers and bells tied into your phone system
- After-hours routing so front-office calls never go unanswered



DATA

Structured Cabling & WiFi

- Backbone and drops sized for 1:1 devices and campus-wide Wi-Fi
- Summer and holiday installs that keep classrooms undisturbed
- Building-to-building fiber for multi-building campuses



SECURITY

Security & Access Control

- Locked front doors with Algo door phones for visitor entry
- Brivo schedules that lock and unlock buildings automatically
- UniFi cameras covering hallways, entrances, and pick-up lines

- ✓ Serving Central Texas since 1987
- ✓ One team for phones, cabling & security
- ✓ Licensed Texas security contractor
- ✓ Same-day scheduling across the Texas Triangle
