FINANCIAL / BANKING

Security and uptime customers count on.

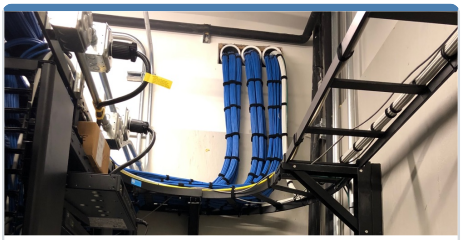
Phone systems, cabling, and access control for banks, credit unions, and financial offices.

Financial offices answer to customers and auditors alike. Calls have to connect, networks have to stay up, and every door needs a record. SCTi delivers all three with documented, professional installs from a licensed Texas security contractor.

VOICE

Business Phone Systems

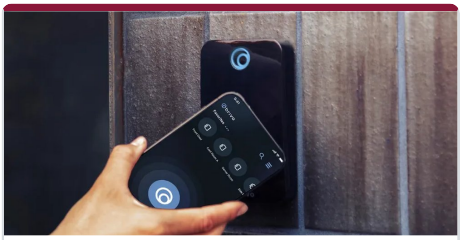
- Professional call handling with auto attendant and direct lines
- Calls follow advisors between branch, desk, and mobile
- Voicemail-to-email so no customer request gets lost



DATA

Structured Cabling & WiFi

- Structured cabling for teller lines, offices, and network rooms
- Labeled, documented infrastructure that supports audits
- Branch build-outs completed on schedule



SECURITY

Security & Access Control

- Brivo access logs that show who opened which door, and when
- Restricted access to vaults, cash rooms, and server closets
- UniFi cameras on entrances, teller lines, and drive-throughs

- ✓ Serving Central Texas since 1987
- ✓ One team for phones, cabling & security
- ✓ Licensed Texas security contractor
- ✓ Same-day scheduling across the Texas Triangle
