GOVERNMENT & MUNICIPAL

# Reliable systems for the people you serve.

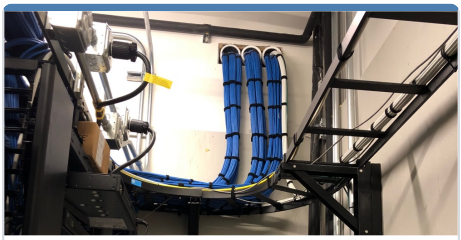
Phones, cabling, and security for city halls, utility districts, and public facilities.

Residents expect city hall to answer, public buildings to be secure, and systems to outlast the budget cycle. SCTi is a licensed Texas security contractor that delivers practical, cost-conscious systems and stays to support them.

VOICE

## Business Phone Systems

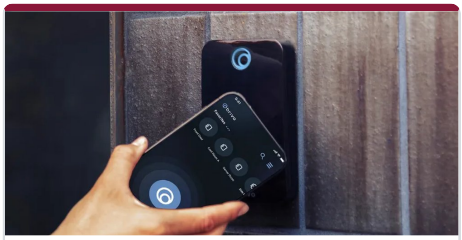
- Auto attendants that route residents to the right department
- Keep existing Avaya hardware working while you plan upgrades
- Dependable lines for public works and after-hours on-call staff



DATA

## Structured Cabling & WiFi

- Cabling for city halls, utility offices, and public works yards
- Outdoor access point mounts for remote facilities
- Clear documentation for IT staff and future projects



SECURITY

## Security & Access Control

- Brivo access control for chambers, records, and server rooms
- UniFi cameras for lobbies, parking lots, and utility sites
- Door phones and video entry for after-hours public counters

- ✓ Serving Central Texas since 1987
